

CHANDALAL KUMAWAT

UI/UX DESIGNER

Profile

I am a proficient UI and UX Designer with a deep understanding of design principles and a keen eye for aesthetic detail. My expertise in graphic design, coupled with my coding skills, allows me to craft visually stunning digital experiences. Proficient in HTML and CSS, I can seamlessly translate design concepts into interactive and visually appealing user interfaces. Additionally, my proficiency in creating WordPress websites with drag-and-drop functionality empowers me to develop dynamic and customizable web solutions without the need for complex coding.
