EXPERIENCE

Craft Cluster: Kangra Miniature Painting

An experience of working with artisans and gaining knowledge about the Kangra paintings.

Tannery Training: Viking Garments

Leather tannery visit at Viking Garments, Ambala. Observed the processes and techniques of leather.

Industry Internship: Bharat Enterprises

The primary objective of the internship was to apply the knowledge acquired throughout the previous semesters and to comprehend the leather industry in an actual environment. The objective was to incorporate, integrate & apply the learning of various subject matters.

CBDP: Block Printing, Barmer

The purpose of this project is to explore the craft while working with the artisans and gaining knowledge from them. Also, to create a collection of block printed garments.

Graduation Project: CCIE, Janpath

The primary objective of this project was to develop products according to their brand identity. Also added a craft into it. Gave a little contribution to the Bharat Tex event.
