

Dinesh Yadav

Sr. UI/UX Designer

“If we want users to like our software, we should design it to behave like a likeable person: respectful, generous and helpful.”

— Alan Cooper, Software Designer & Programmer

About Me

I'm Dinesh Kumar Yadav, a passionate and results-driven Senior UI/UX Designer with over **7 years** of **experience** crafting intuitive and visually engaging digital experiences. I have a background in information technology, with a focus on frontend development and UI design. I am the type of person who seizes every opportunity to learn something new. That is why I enjoy challenges. From there, I'm under pressure to learn quickly and gain a lot of new experience.
