

DEEPAK KUMAWAT

Frontend Developer

Near Jain Temple, Govindgarh, Teh. Chomu, Dist. Jaipur, Rajasthan - 303712

+91-9783169597 | balodiad@gmail.com

PROFESSIONAL SUMMARY

Frontend Developer with 4+ years of experience specializing in React.js and modern web development. Proficient in building dynamic, responsive, and user-focused web applications. Experienced in API integration, UI/UX design, and developing booking and e-commerce platforms. Passionate about creating efficient and visually appealing digital experiences.

WORK EXPERIENCE

Software Developer

AmpleWork Software Pvt. Ltd., Jaipur

November 2021 - November 2025 (4 years)

- Developed and maintained multiple golf tee-time booking platforms serving customers across Ireland and international markets
 - Designed and implemented responsive UI layouts using React.js, ensuring seamless user experiences across devices
 - Integrated RESTful APIs for real-time booking management, payment processing, and user authentication
 - Built e-commerce-style booking systems enabling 24/7 tee-time reservations with intuitive user interfaces
 - Collaborated with cross-functional teams to deliver high-quality web applications on schedule
 - Optimized application performance and implemented best practices for code quality and maintainability
-

KEY PROJECTS

Golf Tee Time Booking Platforms (2022 - 2025)

The K-Club | teetimes.kclub.ie

March 2022 - October 2025

Santo da Serra | santodaserra.customer.zest.golf
