PROFESSIONAL EXPERIENCE

Singhsoft Technology Pvt. Ltd.

Oct 2022 - Present

Frontend Developer

- Developed and maintained scalable web applications using React.js, JavaScript, Bootstrap, HTML, and CSS.
- I have worked on multiple projects including an E-commerce website.
- Implemented responsive design to ensure cross-device compatibility and mobile-first performance.
- Integrated RESTful APIs for dynamic data rendering, enabling real-time interaction with backend services.
- Collaborated with UI/UX designers to convert Figma and PSD designs into responsive, pixel-perfect web interfaces.
- Maintained consistent design systems and reusable components to improve development efficiency.
- Used Git and GitHub for version control and collaborative development.
- Deployed web applications via cPanel and DirectAdmin, ensuring proper hosting and configuration.
- Assisted in documenting project workflows, UI components, and front-end architecture.

BVM Web Solutions Pvt. Ltd.

Jul 2022 - Aug 2022

Internship (UI Developer)

- Designed and developed responsive, mobile-friendly web pages using HTML5, CSS3, and Bootstrap, ensuring seamless performance across various devices and browsers.
- Gained hands-on experience with core frontend technologies including HTML, CSS, JavaScript, and Bootstrap.
- Implemented form validation and interactive UI components using JavaScript and Bootstrap.
- Collaborated with senior developers and UI/UX designers to convert Figma and Adobe XD designs into pixel-perfect front-end code.
- Worked on real-time mini projects and internal tools under the guidance of senior developers.
- Built confidence in using development tools like VS Code, Live Server, and browser extensions.
