WordPress Developer | Web Designer | CMS Management

+91 7737093250 @ harisbilal5657@gmail.com Jaipur, Rajasthan

SUMMARY

Passionate about leveraging over 2+ years of experience in WordPress development and custom HTML design, I specialize in building secure and scalable CMS solutions, and delivering innovative web projects. Notable achievements include leading an SEO strategy that doubled eCommerce traffic and enhancing user experience across a diverse range of client websites.

SKILLS

WordPress	HTML	CSS	JavaScript	PHP
Photoshop	Canva	Image Editing	Elementor	

EXPERIENCE

Freelance Wordpress Developer

Self-employed | Local & Remote Projects

2023 - Present Jaipur, Rajasthan

Worked as a freelance web developer on multiple small projects for local businesses and individuals. Delivered websites using WordPress, Shopify, and custom HTML CSS focusing on responsive design, functionality, and client satisfaction. Gained hands-on experience in developing business websites, eCommerce store, and portfolio sites tailored to client needs.

EDUCATION

Bachelor of Computer Application

University of Technology

2022 - 2024 Vatika Tehsil Sanganer, Jaipur, Rajasthan 303903

COURSES

Web Designing

Samyak Computer Classes, Raja Park Jaipur

2023

Completed a comprehensive Web Designing course, gaining practical knowledge in HTML, CSS, JavaScript, Bootstrap, and WordPress. The course covered both design principles and development techniques for creating responsive, user-friendly websites.

PROJECTS HIGHLIGHTS

1. Seenapirona.com

Role: WordPress Developer

Description: Developed a fully functional eCommerce website for an ethnic clothing brand, focusing on modern UI design, responsive layout, and smooth shopping experience

Note: this is ongoing project

2. Razaangems.com

Role: Shopify Developer

Description: Designed and developed a jewelry-based Shopify store for a local business. Customized the theme for an elegant, luxury look, optimized for conversions and user engagement.

3. Taqnumstudio.com

Role: Web Developer / Founder

Description: Built and managed the official website for Taqnum Studio, a digital and web solutions agency. Developed a clean, modern layout using Elementor, showcasing services, portfolio, and contact forms. (Practice based)
