harsh.designer74@gmail.com

## ABOUT ME

I'm Harsh Chaurasiya, i am 21 year old. A passionate UI/UX and Graphic Designer dedicated to crafting intuitive, user-centered designs that not only look stunning but also solve real problems. With a strong foundation in design principles, visual storytelling, and user psychology, I create engaging digital experiences that align with business goals. Whether it's wireframing, prototyping, or visual branding, I bring a blend of creativity, strategy, and empathy to every project. I thrive in collaborative environments and am always eager to learn, explore trends, and push creative boundaries to deliver meaningful results.

## EDUCATION

2020-2022

Gwalior

**Secondary School Certificate and Higher Secondary School**

scored 96% in 10th from Little Wonder High School and 87% in 12th (Maths) from Govt. Gorhi H.S. School, Gwalior. I blend creativity with problem-solving to craft impactful digital experiences.

2022-2025

Jiwaji University,  
Gwalior

**Bachelor of Science**

A Bachelor of Science graduate from Jiwaji University with a strong passion for UI/UX and Graphic Design. I merge scientific thinking with creative design to craft meaningful and user-friendly digital experiences.

## EXPERIENCE

Feb 2022- May 2023

IBuzz Tech Solutions

**Graphic Designer**

I began my journey at IBuzz Tech Solutions as a Graphic Design Intern and was later promoted to Graphic Designer. I worked on creating digital assets and collaborated with teams to deliver creative and impactful designs.

May 2023- Jun 2024

Digital Card Hub

**Product Designer**

I worked at Digital Card Hub as a Product Designer, Printing Designer, and UI/UX Designer, where I contributed to designing both digital interfaces and high-quality print materials. My role involved blending creativity with user-centric thinking to deliver impactful design solutions.

Aug 2024- Now

Ubi Tech Solutions Pvt  
Ltd.

**Design Engineer (UI/UX and Graphic Designer)**

I am currently working at Ubi Tech Solutions Pvt Ltd as a Design Engineer, handling UI/UX and Graphic Design projects. I focus on creating seamless user experiences and visually appealing designs that meet client goals.
