

KHUSHI GUPTA

CONTACT : +91-9521825845 **EMAIL-** khushigupta9521@gmail.com

Certified in Google Data Analytics and Microsoft & LinkedIn Career Essentials in Business Analysis, I am a Business Analyst with hands-on experience in requirements gathering, process documentation, and solving business problems. Skilled in SQL, Power BI, Tableau, and Excel, currently applying these skills during a Business Analyst internship.

SKILLS

- Business Analysis:** Skilled in requirements gathering, stakeholder communication, business process mapping, KPI development, and translating business needs into data-driven solutions.
 - Analytical Thinking:** Proficient in problem-solving, root cause analysis, trend identification, and using data to support business decisions.
 - Tools & Documentation:** Familiar with BRDs, FRDs, user stories, wireframing, and data visualization tools like Power BI, Excel, Tableau, and SQL for reporting and insight generation.
-
