PROJECTS

Industry Resume |

HTML | CSS | Responsive Web Design

Description:

This project is a responsive web page featuring a visually appealing design with a well-structured layout. It includes various elements such as a navbar, center content section, contact information, and a footer. The page is styled using CSS, including animations, gradients, and media queries to ensure it looks great on different devices.

Momondo Travel |

HTML | CSS | Responsive Web Design | Bootstrap

Description:

This is a responsive and visually appealing clone of the Momondo

SOFT SKILLS

- Problem Solving
- Time Management
- Teamwork

travel website, designed using HTML, CSS, and Bootstrap. The project focuses on creating a seamless user experience for searching flights, hotels, and car rentals.

KFC |

HTML | CSS | Responsive Web Design | Bootstrap | JAVASCRIPT

Description:

This is a responsive and interactive clone of the KFC website, built using HTML, CSS, Bootstrap, and JavaScript. The project aims to provide a user-friendly experience with a visually appealing carousel and a fully functional Login & Sign-up system using JavaScript.
