### PROFILE

I'm a Proactive and result driven IT project manager My passion lies in leading diverse teams to deliver impactful IT projects, making sure they're not just on time and within budget, but also align perfectly with the goals of the organization

Scoped, planned, and executed a comprehensive redesign of a major e-commerce website.

### EXPERIENCE

#### ◦ 99Isolutions (Internship)

Led the end-to-end development of a responsive e-commerce website and applications.

Implemented Agile project management methodologies, conducting daily stand-ups and sprint planning meetings to improve team collaboration and productivity.

#### ◦ PROJECTS

##### Technical project Manager (Jan. 2023 - Present)

Managed a team of developers, designers, and QA analysts to launch multiple website projects simultaneously, ensuring adherence to project timelines and budgets.
