

KAPIL KOHAR

Graphic & UI/UX Designer

9817246463

kohar6376@gmail.com

India, Hisar

Professional summary

Creative and detail-oriented Graphic and UI/UX Designer with crafting visually compelling designs and intuitive digital experiences. Proficient in user-centered design principles, wireframing, prototyping, and responsive design across web and mobile platforms. Skilled in tools such as Figma, Adobe Illustrator, Corel Draw, Canva and Adobe photoshop. Strong understanding of branding, typography, and visual hierarchy with a passion for solving problems through design. Proven ability to collaborate with cross-functional teams, meet tight deadlines, and deliver pixel-perfect work that balances aesthetics with functionality

Experience

Graphic Designer May 2024 - June 2025

Hashtag Planner Private Limited, India, Delhi

As a Graphic Designer at Hashtag Planner Private Limited in India from May 2024 to June 2025, I was responsible for creating visually appealing designs for various marketing materials and digital platforms. I worked closely with the marketing team to understand their goals and translate them into effective designs that captured the attention of our target audience. Through my time at Hashtag Planner, I honed my skills in graphic design and developed a strong eye for detail, resulting in successful campaigns and increased brand awareness.

- Designed marketing materials for various campaigns
- Collaborated with marketing team to understand goals
- Produced creative designs that attracted target audience
- Developed strong skills in graphic design
