SUMMARY

I am a Web Designer and UI Developer with over 3 years of professional experience in crafting modern and responsive web interfaces. My proficiency lies in converting Figma designs into pixel-perfect user experiences using technologies like HTML, CSS, Tailwind CSS, and Bootstrap, and I'm experienced with Next.js and React. I strive to ensure that my designs offer responsive layouts, seamless animations, and are compatible across all browsers

EXPERIENCE

Web Designer – UI Developer

Zygotit (Previously TeqExpert)

08/2023 Remote

Remote working environment focusing on web design and development
