SUMMARY

A highly motivated and passionate individual capable of efficient time management and work under pressure in all environments. Being a quick learner, I wish to develop a more rounded skill-set and improve my job capabilities.

EXPERIENCE

Business Analyst

Techno Derivation

📅 05/2024 - Present 📍 Jaipur

Few of the experiences I gained while working as a Business Analyst:

- **Requirement Gathering:** Learned how to effectively collect and document client requirements.
- **International Project Experience:** Gained experience interacting with international clients, understanding cross-cultural business practices, and adapting solutions to diverse global requirements.
- **Wireframing:** Developed skills in creating wireframes to visually represent the layout and functionality of web and mobile applications, aiding in design and development processes.
