ABOUT ME

With 6 months of hands-on internship experience, I thrive at the intersection of design and logic building fast, responsive, and intuitive websites. My toolkit includes HTML, CSS, JavaScript, and React, but I'm more than just syntax. I focus on clean code, user-centric design, and problem-solving. Always learning, always building.

WORK EXPERIENCE

Web Developer Intern | AsquareX - Morbi

March 2025 - September 2025

- Built responsive, SEO-optimized websites using HTML5, CSS3, and JavaScript.
- Assisted in debugging, performance tuning, and ensuring cross-browser consistency.
- Enthusiastic about writing clean, efficient code and crafting engaging user experiences.

Jr. Web Developer | AsquareX - Morbi

September 2025 - Present

- Develop fully responsive and SEO-friendly websites using HTML5, CSS3, and JavaScript.
- Ensure smooth performance and cross-browser compatibility through clean, optimized code.
- Passionate about creating intuitive, user-focused digital experiences with attention to detail.
- Continuously learn and adapt to new technologies to deliver modern, high-quality solutions.
