

RAGHAV DADHICH

UI DEVELOPER

OBJECTIVE

Seeking a platform to utilize my skills & abilities in the industries that offers professional growth.

EXPERIENCE

4 YEAR From 27 june 2022
At **Gempulse Infotech Pvt. Ltd. (GIPL)**

developing user interfaces for web applications. Skilled in front-end technologies such as HTML, CSS, JQuery and frameworks like Bootstrap. Passionate about creating visually appealing and user-friendly interfaces that enhance the overall user experience.

ABOUT ME

I'm a passionate UI developer with a keen eye for detail and a love for crafting engaging user experiences. With a solid foundation in HTML, CSS, and JavaScript, I thrive on bringing designs to life and creating seamless interactions that captivate users.
