JAVED ALI

Web Designer & UI Developer (React, HTML, CSS)

I am a passionate UI Developer and Web Designer dedicated to transforming ideas into visually appealing, responsive, and highly functional websites. I focus on creating intuitive user experiences through modern design principles and clean, efficient code.

Technical Skills

- Frontend Technologies: HTML, CSS, JavaScript, React.js, Bootstrap
- E-commerce Platform: Basic understanding of Shopify (theme customization, Liquid templates, product management)
- UI/UX Design: Strong grasp of modern design principles, color theory, typography, and user-centric design
- Responsive Design: Ability to create pixel-perfect, mobile-friendly layouts for both web and mobile platforms
- Soft Skills: Strong problem-solving, communication, and teamwork abilities

Work Experience

EXTREME WEB WORLD (2022 - Present)
